

# Oversight Arrangements

Keep it simple:

- Pre job brief
- Toolkit meetings
- Engage workers

# Oversight Arrangements

## Keep it simple:

- Work plans that address what, how and association to hazard
- Daily walk down/checklist of site conditions
- House keeping – keep site neat and tidy

# Oversight Arrangements

## Keep it simple:

- Confirm training and qualifications are aligned with type of work and valid
- Confirm tools and equipment are appropriate and consistent with work plans
- Confirmation of appropriate PPE

# Oversight Arrangements

## Keep it simple:

- Any emergent or unplanned work shall not be undertaken prior to escalating to CNL sponsor and ensuring the work and hazards have been re-assessed.
- Do not go out of the scope of work.
- If feel pressure to go out side scope of work, escalate
