Privacy Statement

The personal information you provide on this form is collected under the authority of the *Nuclear Safety and Control Act* and protected under the provisions of the *Privacy Act* and *PIPEDA*. The information is mandatory to access AECL's nuclear facilities and is collected for identification, safety and security purposes. It is described in the Institution Specific Personal Information Bank [AECL PPU 005](#) (Visitors to Nuclear Facilities). This information is used by the Emergency and Protective Services Branch at CNL.

This form is not considered a permanent record and will be disposed of in accordance with 900-508710-STD-002 *Protection of Information*, once the information has been entered into the CNL Site Entry Processing System.

CNL CHALK RIVER SITE VISIT CHECKLIST

- Wear flat-soled, closed-toe shoes and long pants.
- Government-issued photo identification is required. A Passport is required for international visitors.
- Advise of severe allergies, pregnancy or medical conditions / devices.
- Advise of recent radiation therapies.
- It is recommended that all cell phones and cameras be left in the vehicle unless required for work.
- Food - including candy, gum, medicine and lozenges is not permitted in certain areas of the Laboratories.
- Lunch and refreshments are available on site. If you have dietary restrictions, please advise your tour facilitator well in advance.
- CNL is a non-smoking site. Please smoke only in designated areas.

DIRECTIONS

Directions from Ottawa (ETA 2-2.5 hrs):

- Take Queensway WEST or follow the signs indicating Kanata/Arnprior/Pembroke.
- Queensway WEST becomes Highway 17 WEST. (Pass Arnprior, Renfrew, Pembroke, Petawawa).
- When you reach the Village of Chalk River, turn right at the lights onto Plant Road.
- Stay on Plant Road until you reach CNL's Outer Gate.

Directions from North Bay (ETA 2-2.5 hrs):

- Take Highway 17 EAST. Pass the communities of Mattawa, Stonecliffe, Mackey, Rolphton, and Deep River.
- When you reach the Village of Chalk River, turn left at the lights onto Plant Road.
- Stay on Plant Road until you reach CNL's Outer Gate.

ON ARRIVAL AT THE SECURITY GATE

- As you approach the gate, pull over to the right into the vehicle search area.
- If you are a Canadian citizen, you must present government-issued PHOTO identification (such as a driver's licence, Passport, health card, etc.) to the Nuclear Security Officer.
- Vehicles and personal belongings such as purses, laptops, briefcases, etc. will be searched.

Once access has been granted, you will merge back onto Plant Road and travel 7 km before reaching Chalk River Laboratories main site. Visitor's parking is clearly marked and will be on the right hand side following marked signs. If Visitor's parking is full, you may park in any other available parking that is not reserved.

ON ARRIVAL AT SITE

- Enter the Brockhouse Building (Bld 700) and have your Photo ID and Vehicle Plate information available for Security Staff at the Reception Counter.
- If you are an international visitor, you must present a valid Passport.
- Personal belongings will be searched by Security Staff upon entering and again before exiting site.
- Follow the instructions of your escorts or Security staff at all times.
- If you are uncertain or have questions about safety at any point, please ask a CNL staff member.
- Visitor badges must be worn on the trunk of your body, and visible, at all times.
