**Re: Contract Number:**

**CERTIFICATE OF SUBSTANTIAL PERFORMANCE**

**[]**

In accordance with Article [] of the Contract, [] hereby certifies that all of the conditions of Substantial Performance as defined in the Contract have been achieved as follows:

- (i) All work has been carried out or services performance in accordance with CNL’s TSW/SOW, and all relevant documentation included within the Contract and any subsequent change orders that may have been issued under this Contract.
- (ii) The work undertaken is ready for use or is being used for its intended purpose.
- (iii) All information and documentation required for Substantial Performance has been provided and accepted by CNL.
- (iv) Any spare parts, consumables or other materials as specified have been delivered and accepted by CNL.
- (v) all Damages, or any other payments owing to CNL by Contractor/Consultant are up to date;
- (vi) there are no outstanding issues, claims or pending change orders other than those already known to CNL with respect to this Contract
- (vii) All defects that are required for Substantial Performance have been accepted and any outstanding minor defects are identified shall have been agreed including an appropriate program of work and are appended hereto this Certificate.

In accordance with Article [] of the Contract, CNL confirms that the works is deemed to have been Substantially Performed as of the date set forth below. This certification shall not be considered or deemed to represent that CNL or any representative of CNL has waived any rights against Contractor under Laws with respect to any patent or latent conditions existing on the date of such certification, which rights are expressly reserved by CNL.

IN WITNESS WHEREOF THE PARTIES HERETO HAVE EXECUTED THIS AGREEMENT AND BY THE HANDS OF THEIR DULY AUTHORIZED REPRESENTATIVES.

SIGNED AND DELIVERED in the presence of:

CANADIAN NUCLEAR LABORATORIES LTD.
